

StreamVerse Content Roadmap — 2025-2026

Content Strategy Division | Confidential

Vision

StreamVerse aims to be the leading OTT platform for South Asian content globally by 2026. Our content strategy focuses on premium original productions across high-performing genres, with selective expansion into underserved regional language markets.

Q2 2025 Slate

Title	Genre	Language	Budget (Cr)	Expected Release
Void Protocol	Sci-Fi	Hindi	45	April 2025
The Last Dance	Drama	Telugu	30	May 2025
Iron Coast	Action	Hindi	38	June 2025
Dark Waters	Thriller	English	28	June 2025

Genre Strategy

Sci-Fi: Continue heavy investment. Audience appetite is strong and growing. Plan 4 Sci-Fi originals in H2 2025. Drama: Maintain current investment level. Focus on social issue-driven narratives with strong female leads. Comedy: Pause new greenlit projects. Re-evaluate existing pipeline for quality. Target improved writing room before any new comedy commissions. Action: Selective investment in franchise-building titles only.

Regional Language Expansion

Based on regional performance data, Tamil and Telugu language originals show 40% higher completion rates among Southern Indian audiences. A dedicated regional content fund of INR 80 Crore has been approved for FY2026. Partnerships with established regional production houses are being finalized.
